

AGREEMENT FOR ACADEMIC COOPERATION BETWEEN
INSTITUTE OF MATHEMATICS
ACADEMIA SINICA, TAIWAN
AND
THE INSTITUTE OF MATHEMATICS OF VIETNAM ACADEMY OF SCIENCE
AND TECHNOLOGY

The Institute of Mathematics, Academia Sinica represented by its Director and the Institute of Mathematics of Vietnam Academy of Science and Technology represented by its Director, recognizing the benefits accruing to their respective institutes from the establishment of strong international links, conclude this Agreement.

1. The purpose of the Agreement is to develop academic and educational collaboration and promote friendly relations between the two parties.
2. Both parties undertake to promote and develop cooperation in the following ways on the basis of broad equality and reciprocity:
 - a. Exchange of academic staff and students.
 - b. Exchange of academic materials and publications, both printed and electronic versions.
 - c. Cooperation in research and the presentation of its results.
 - d. Participation in and joint organization of international conferences related to mathematical sciences.
 - e. Other academic exchange to which both parties agree.
3. In order to give effect to these forms of cooperation, representatives of both parties will be encouraged to consult with each other and to develop specific plans for collaboration in any of all of the ways mentioned in Article 2.
4. It is understood that the implementation of any form of cooperation stated in Article 2 shall depend upon the availability of necessary resources and fiscal support at the institutes concerned.
5. The Agreement shall become effective on the day of signature by representatives of the two parties. It shall be valid for a period of five years and renewable for a further period of five years unless either party of the Agreement expresses its wish to the contrary six months before the end of the period.
6. Either party can terminate the Agreement after giving notice of six months.
7. The Agreement is made in two original copies in English, both equally authentic.
